Y. D. Bytco Girls Highschool, Nashik

2019

10th | MSBSHSE | Percentage: 82.20 / 100

PROJECTS

Resilience

All in one Platform For Travelling

- Developed Resilience's online platform to make travel planning, food ordering, navigation, and hotel booking easier for users.
- Designed and built user-friendly web pages using HTML and CSS.
- Led UI/UX enhancements to boost usability and visual appeal, resulting in a more enjoyable user experience.

CANAPE

A Technological Solution to Reduce Food Wastage in College Mess

- Canapé deals with the technological aspect in solving the problem of food wastage in college mess at individual level.
- Implemented User friendly UI using HTML CSS and JavaScript.
- The Entire platform was also mobile friendly improving the overall user experience.

Restaverse

Dynamic Review Website with Real-Time Updates and Auth0 Integration.

- Developed a dynamic review website using React, allowing users to read and reply to reviews.
- Integrated a mock API to simulate review data, ensuring a seamless user experience.
- Implemented automatic updates for new replies, enabling real-time interactions without page refresh.
- Utilized React hooks like useState and useEffect for state management and UI updates.
- Integrated Auth0 for secure user authentication, providing a streamlined login experience

POSITIONS OF RESPONSIBILITY

Cultural Co-Ordinator- Devkraft DIT

- Organized and managed cultural showcases, festivals, and performances, within the campus community.
- Collaborated with club members and external partners to plan and execute events, ensuring smooth operations and successful outcomes

Management Team DEVTALKS

- I actively engaged in arranging the and strategic campaign management of DevKraft's prominent flagship affair, 'DevTalks'.
- Contributed to the development and implementation of strategic campaigns to promote 'DevTalks' and maximize its impact.

PERSONAL INTERESTS / HOBBIES

- Singing
- Dancing
